

CALA ASSESSOR APPLICATION FORM

Application Process:

- i) Complete and submit this form with a resume that details your laboratory experience. A review of the application and resume will be undertaken, to determine suitability.
- ii) If it is deemed that the applicant has appropriate laboratory experience, the applicant will be requested to submit further supporting evidence of his/her qualifications.
- iii) The entire package will be reviewed, and a reference check completed.
- iv) Note that successful completion of all of the above steps in itself does not guarantee acceptance as an assessor. An invitation to become an assessor and attend the Assessor Training is dependent on CALA program needs at the time.
