*Disclaimer: This list is intended for two purposes.

1. To provide guidance in selection of a PT provider for the CALA Fast-Track policy. It is the responsibility of the laboratory to ensure that the PT samples and provider meet the requirements outlined in the CALA Fast-Tracking policy (PT15-02-CALA *PT Program - Policies*).
2. Only the providers included in this list may be used in support of option i) and option ii) of the CALA PT requirements for accreditation (P02-02-*Program Description - Proficiency Testing Policy for Accreditation*). These providers are accredited to ISO/IEC 17043, are specified by a regulator or have a significant penetration in the laboratory testing market.

** This provider is approved for water microbiology only.

PT providers wishing to add or remove information to this list, or laboratories that wish to have a PT provider added to this list, please send email to ccotter@cala.ca.
