# CALA PROFICIENCY TESTING APPLICATION

## 1.0 INSTRUCTIONS

The PT application only has to be completed if the laboratory is new to the CALA PT program or has additions that they would like to make. If the participant is seeking PT samples for the next scheduled study, the application must be submitted at least four weeks prior to the shipping date.

### Step 1: Complete Section 2.0 Laboratory Identification

All new applicants must complete section 2. Be sure that the shipping address can be used for the delivery of PT samples by courier. Refunds or credits will not be provided for samples that are delivered to the wrong location, if the error is due to information provided in this section.

For existing participants, a copy of your current profile is available at [www.cala.ca/cala\\_directories.html](http://www.cala.ca/cala_directories.html) using the Directory login password provided by CALA. Review the Laboratory Identification for accuracy. If any changes are required, print a copy of the relevant form, make the changes on the form and include it with the CALA application.

All communication between CALA and participants is by email. The participant may include more than one email address. Be sure that the participant's email provider and filter always allows emails from the CALA domain ([@cala.ca](mailto:@cala.ca)).

### Step 2: Complete Section 3.0 Terms and Conditions

CALA Proficiency Testing participants must comply with the terms and conditions ([http://www.cala.ca/PO4-01-Terms\\_and\\_Conditions.pdf](http://www.cala.ca/PO4-01-Terms_and_Conditions.pdf)). Failure to conform to these terms and conditions may result in withdrawal of PT participation.

### Step 3: Complete Section 4.0 Requesting Proficiency Testing

Only complete section 4 if your laboratory is requesting new proficiency testing.

### Step 4: Submit Your Application

Completed applications may be submitted by mail, fax or scanned and emailed. The application sections that must be included in the application are:

- Section 2 (if a new participant or there are changes);
- Section 3 (signed by an authorized person); and,
- Section 4.

If there are changes to the laboratory identification, they may be included as well.

Send your completed application to:

CALA

## Canada’s Anti-Spam Legislation (CASL)

Canada’s new anti-spam law was passed in December 2010 and came into force on July 1, 2014. This law, among other things, will mainly prohibit the sending of commercial electronic messages (CEMs) without the recipient’s consent (permission), including messages to email addresses, social networking accounts, and text messages sent to a cell phone.

### How does CASL Impact CALA Clients/Laboratories?

Current CALA clients or volunteers will receive emails directly related to the delivery of products and services where there is an existing business relationship (i.e. membership, received program application form or registration form, or active volunteer). However, we require your express consent (permission) to send you CALA SUBSCRIPTION communications via email.

### What are CALA SUBSCRIPTION Communications?

CALA SUBSCRIPTION communications are the electronic delivery of up to date CALA information and industry announcements. These subscription communications can include any of the following:

1. **Training Program Information:** receive monthly newsletters, and updates on new and upcoming courses, and exciting e-training opportunities.
2. **Surveys:** feedback obtained from surveys is very important for program and service development and improvements.
3. **Quarterly Newsletter:** contains important information on CALA programs/services, as well as notices, Board updates, industry news and CALA document updates.
4. **General Marketing:** occasionally CALA will forward information on services, products and upcoming events of interest to CALA clients.

For each email identified earlier in this application form, please have the email owner check off all and initial desired CALA SUBSCRIPTION Communications. A person can unsubscribe at any time.

### 3.0 TERMS AND CONDITIONS OF PROFICIENCY TESTING

\_\_\_\_\_  
Name of Laboratory

\_\_\_\_\_  
CALA File No.

As an Authorized Representative of this laboratory, I agree to the general terms and conditions found in Section 1.1 of P04-01 - *Terms and Conditions of Accreditation and/or Proficiency Testing* and the following applicable statements (choose all that apply):

- This laboratory is a participant in the CALA Proficiency Testing Program, and I agree to terms and conditions found in Section 1.2, P04-01.
  
- This laboratory is a participant in the CALA Accreditation Program, and I agree to terms and conditions found in Section 1.3, P04-01.
  
- This laboratory is licensed or applying for a license under the OSDWA, and I agree to terms and conditions found in Section 1.4, P04-01.
  
- This laboratory conducts testing for legislation enforced by the CFIA, and I agree to terms and conditions found in Section 1.5, P04-01.

## 4.0 PROFICIENCY TESTING PARTICIPATION

The tables below identify all tests that are part of the CALA Proficiency Testing Program. Please indicate the new or additional participation you require by:

- 1) **Analyte:** check the appropriate analyte(s) that are to be added;
- 2) **Test Method:** The Test Method is defined in terms of analytical techniques. Examples include: ICP-MS; GC/MS; etc. For microbiology methods, specify the media (e.g., MF-mENDO); and,
- 3) **Quantity:** The number of sample sets that are required. Unless otherwise requested, the participant will receive one set of samples per study.

The default PT registration involves receiving samples in the months indicated. The months that each PT is offered is provided in the application below. If the participant only requires samples in one of these months, please indicate below:

Test Group Series	Check only one per series		
Mar./Oct. Test Groups	<input type="checkbox"/> Mar. and Oct.	<input type="checkbox"/> Mar. only	<input type="checkbox"/> Oct. only
Jan./Jun. Test Groups	<input type="checkbox"/> Jan. and Jun.	<input type="checkbox"/> Jan. only	<input type="checkbox"/> Jun. only

The participant is responsible for arranging customs clearance where necessary.

The price per study is based on:

- a) CALA member
- b) Not a CALA member

If there is any discrepancy between the prices indicated here and the prices indicated in P02-02 CALA Fee Schedule, those listed in P02-02 will be taken as accurate.
