What is a webcast?

A webcast is an interactive way of sharing information over the internet. During the webcast you will be able to view a presentation given by Ministry of the Environment staff, hear what is being said, follow the proceedings in real time and e-mail questions to the presenters.

What if I can't participate on May 27th?

The webcast will be available for replay on the Drinking Water Ontario website (www.ontario.ca/drinkingwater) after the session for up to one year.

Am I required to participate in this webcast?

No. This is an optional event intended to help you better understand your responsibilities.

Protecting our environment.
